Dear DURA Members,

Warmest holiday wishes from Duke! As the year draws to a close, we pause to reflect with gratitude on the enduring contributions of our Duke retirees. Your legacy continues to shape our community in meaningful ways, and we are deeply thankful for your dedication and service.

While an invitation was emailed to DURA members several weeks ago, I want to personally invite you to join us at Duke's annual Holiday Concert on Wednesday, December 10th at the Duke University Chapel. We've also included the event details within this newsletter.

May this winter season bring you peace, joy, and time spent with loved ones. Whether you're enjoying a quiet moment by the fire or celebrating with family and friends, we hope your holidays are filled with warmth and happiness.

From all of us at Duke, we wish you a wonderful holiday season and a bright New Year!

Greetings and warm wishes DURA Members and friends,

Warm greetings to each of you as we welcome the magical season of winter! This time of year invites us to embrace the spirit of giving, and to renew our commitment to spreading love, kindness, and support—within our DURA community and beyond.

Our recent journeys have been filled with challenges and triumphs, but we are blessed to have our amazing DURA community for support. Let us continue to spread goodwill, volunteer our talents and donate as needed to others. Winter can be demanding on both body and mind, so let's prioritize staying healthy, positive, and connected.

I encourage everyone to stay active indoors with simple exercises and to seek support when facing the “winter blues.” As we prepare for the season ahead, remember the 5 Ps for winter safety: Protect People, Pets, Plants, Pipes and Practice Fire Safety. Stay cozy, stay safe, and stay engaged—virtually and in person. Be sure to check your emails for upcoming social opportunities organized by your DURA Board and representatives.

I look forward to seeing many of you at our upcoming gatherings. Wishing you a joyful holiday season and a bright, hopeful New Year. Thank you for being such an incredible part of the DURA family. And always remember:

Wake Up. Be Kind. Be Amazing. Be Grateful. Repeat.

RETIREE SPOTLIGHT

Pat James

Former role: Office Manager

Retired: 2019

Home: Durham, N.C.

What are you up to now?

I am president of a nonprofit inner city baseball league called Durham Triple Play League, also known as Long Ball Program. We have four teams for 13 15 year olds and four teams 16 18 year olds that play each other for the title.

We also hosted the Nike Mid Atlantic Regionals the weekend of July 25. Last year both our junior and regional teams won and went on to play in the Nike world series in Florida. We celebrated 16 years in May.

We play at the historic Durham Athletic Park located at 500 W. Corporation Street, Durham 27701. We have regular season games, tournament playoffs, host conditioning clinics, give out scholarships and encourage academic excellence.

We were Durham's best kept secret, but now the word is getting out around the travel ball circuit. We are under the Major League Baseball umbrella through its Reviving Baseball in Inner Cities (RBI) program. I have had over 3,000 players participating. We are all volunteers working to level the playing field for players on and off the field as we build major league citizens. We are also in need of more volunteers to help run the score board, announce the players as they come to bat and help in concessions.

Any Duke Retirees interested in volunteering can register on our website (<https://longballdurham.com/contact/apply-register/>).
