## **Student Health Fee**

The mandatory student health fee is assessed each semester to all currently enrolled students. This fee supports a variety of services and activities that foster a healthy campus community. See <https://studentaffairs.duke.edu/studenthealth/new-students/student-health-fee> for more information. The health fee is separate from the charge assessed for medical insurance.

## **Nelnet (formerly Tuition Management Systems) Participants**

This statement should reflect your Nelnet (TMS) payments made to date. The balance due on this statement, which includes charges for the current term, must be covered by your remaining scheduled Nelnet (TMS) payments for this term. Payments made to Nelnet for July 1 through November 1 must clear all fall term charges; payments made December 1 through April 1 must clear all spring term charges. If the balance due on this statement will not be cleared by your remaining scheduled payments for this term, please submit a payment for the difference directly to Duke. For more information, visit <https://mycollegepaymentplan.com/duke/> or contact Nelnet (TMS) at (800) 609-8056.

## **Financial Aid**

This statement lists anticipated financial aid as of the date of the statement. The total anticipated aid has been subtracted from the "Account Balance as of the Date of this Statement" to calculate the "Amount You Should Pay at this Time". If the total anticipated financial aid is greater than the account balance, the "Amount You Should Pay at this Time" will be listed as zero (i.e. no payment is due at this time).

If you have questions about your financial aid award, please visit DukeHub to review your financial aid status or contact your financial aid counselor. For questions about student loans, contact the Student Loan Office at (919) 660-3630 or email [student-loans@duke.edu](mailto:student-loans@duke.edu).

## **Refunds**

A refundable credit balance may result on your student account due to financial aid payments, loan disbursements, account adjustments, and/or payments posted to your account. REFUNDS ARE ISSUED BY DIRECT DEPOSIT TO YOUR BANK ACCOUNT. Direct deposits can be made to any U.S. financial institution where you have a checking or savings account. Please visit the Forms & Requests page in DukeHub to add or manage your direct deposit information.

## **Restrictions on Past Due Accounts**

Tuition and fees are due before the start of each term. If your account becomes past due, a late payment penalty charge (not to exceed 1.25% of the past due balance from the prior bill) will be assessed on subsequent bills. If your account remains unpaid, you will not be allowed to register for future semesters and may be administratively withdrawn from Duke. As long as your account is past due, you will not be able to have academic credits certified, or receive a diploma at graduation. If your account remains outstanding after your departure from Duke, it may be referred to a collection agency and reported to a credit bureau.
