

## Preventive Items and Services

### Drug List – Contraceptives – Expanded Offering – 2022

Following is a list of contraceptives that are currently included in the Express Scripts' standard contraceptive expanded offering for the Preventive Items and Services Program. Contraceptives are provided at a zero cost share as mandated by the Affordable Care Act (ACA). Please note that Multi Source Brand contraceptives\*\* are only available at a zero cost share when specific plan requirements are met. The list is subject to change to remain compliant with ACA guidelines.

**Please note: coverage of medications at \$0 cost share is dependent on the list of medications covered by your drug formulary. Please refer to your drug formulary first before making an assumption that coverage of a medication is \$0.**
