

Drug List – Contraceptives – Expanded Offering – 2020

ESI Standard Offering – Contraceptives

Following is a list of contraceptives that are currently included in the Express Scripts' standard contraceptive expanded offering for the Preventive Items and Services Program. These contraceptives are provided at a zero cost share. Please note that Multi Source Brand contraceptives** are only available at a zero cost share when specific plan requirements are met. The list is subject to change.

* Indicates Single Source Brand product
