What is a CSA? CSA stands for Community Supported Agriculture, when a community of individuals pledges support of a farm operation. Members become share holders of the farm by subscribing to have a weekly box of fresh produce delivered to them throughout the season.

What is the Duke Mobile Market? The Mobile Market is what we call the pop-up market at the Duke Gardens, where CSA shares are dropped off and you can buy fresh produce a la carte every Tuesday!

Want to learn more? Visit the [LIVE FOR LIFE Mobile Farmers Market](#) webpage, or contact Cassandra.Callas@duke.edu 919-681-0547 for more information including how to sign up for a share today!
