**BENEFIT BOOKLET**

This benefit booklet describes the Duke University and Duke University Health System EMPLOYEE health plan (the PLAN). Blue Cross and Blue Shield of North Carolina provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

**Please read this benefit booklet carefully.**

The benefit plan described in this booklet is an EMPLOYEE health benefit plan, subject to the Employee Retirement Income Security Act of 1974 (ERISA) and the Health Insurance Portability and Accountability Act of 1996 (HIPAA). A summary of benefits, conditions, limitations and exclusions is set forth in this benefit booklet for easy reference.

In the event of a conflict between this benefit booklet and the terms in the PLAN document, the PLAN document will control.

**Amendment and/or Termination of the PLAN**

The PLAN SPONSOR expects this PLAN to be continued indefinitely, but the PLAN SPONSOR reserves the right to terminate the PLAN at any time with respect to its EMPLOYEES by a written instrument signed by an officer of the PLAN SPONSOR. Such termination may be made without the consent of the MEMBERS, or any other persons. The PLAN SPONSOR also reserves the right to amend the PLAN, including reduction or elimination of benefits or COVERED SERVICES. Amendments shall be made only in accordance with the provisions of the PLAN. The PLAN ADMINISTRATOR will provide notice to MEMBERS within sixty days of the adoption of any amendment that results in a material reduction in COVERED SERVICES or benefits.

**Grandfathered Health Plan Disclosure**

The PLAN ADMINISTRATOR believes this health benefit plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your PLAN ADMINISTRATOR at Duke University and Duke University Health Systems.

Blue Cross and Blue Shield of North Carolina is an independent licensee of the Blue Cross and Blue Shield Association.

Further, the PLAN shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below:

The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or expenses for noncovered expenses. If DEPENDENTS are covered, you each have an individual deductible and your family has a combined family deductible. Amounts applied to your OUT-OF-NETWORK deductible are credited to your IN-NETWORK deductible. However, amounts applied to your IN-NETWORK deductible are not credited to your OUT-OF-NETWORK deductible.</td>
</tr>
<tr>

SUMMARY OF BENEFITS

This section provides a summary of your Blue Options benefits. A more complete description of your benefits is found in "COVERED SERVICES." General exclusions may also apply - please see "What Is Not Covered?" As you review the "Summary of Benefits" chart, keep in mind:

- Copayment amounts are fixed dollar amounts the MEMBER must pay for some COVERED SERVICES
- Multiple OFFICE VISITS or emergency room visits on the same day may result in multiple copayments
- Coinsurance percentages shown in this section are the part that you pay for COVERED SERVICES
- Amounts applied to deductible and coinsurance are based on the ALLOWED AMOUNT
- Amounts applied to the deductible also count toward any visit or day maximums for those services

- If your benefit level for services includes deductible and coinsurance, your PROVIDER may collect an estimated amount of these at the time you receive services.

- To receive IN-NETWORK benefits, you must receive care from a Blue Options IN-NETWORK PROVIDER. However, in an EMERGENCY, or when IN-NETWORK PROVIDERS are not reasonably available as determined by BCBSNC’s access to care standards, you may also receive IN-NETWORK benefits for care from an OUT-OF-NETWORK PROVIDER. Please see "OUT-OF-NETWORK Benefit Exceptions" and "EMERGENCY Care" for more information. Access to care standards are available on BCBSNC’s website at bcbsnc.com or by calling BCBSNC Customer Service at the number listed on your ID CARD or in "Who To Contact?"

- If you see an OUT-OF-NETWORK PROVIDER, you will receive OUT-OF-NETWORK benefits unless otherwise approved by BCBSNC.

Please Note: The list of IN-NETWORK PROVIDERS may change from time to time, so please verify that the PROVIDER is still in the Blue Options network before receiving care. Find a PROVIDER on BCBSNC’s website at bcbsnc.com or call BCBSNC Customer Service at the number listed on your ID CARD or in "Who to Contact?"
BENEFIT PERIOD - January 1, 2016 through December 31, 2016

### Filing Claims

| **IN-NETWORK PROVIDERS in North Carolina are responsible for filing claims directly with BCBSNC. Claims not received within 18 months from the service date will not be covered, except in the absence of legal capacity of the MEMBER.** | **You may have to pay the OUT-OF-NETWORK PROVIDER in full and submit your own claim to BCBSNC. Mail claims in time to be received within 18 months of the date the service was provided. Claims not received within 18 months from the service date will not be covered, except in the absence of legal capacity of the MEMBER.** |

### OUT-OF-NETWORK Benefit Exceptions

In an EMERGENCY, in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by BCBSNC’s access to care standards, or in continuity of care situations, OUT-OF-NETWORK benefits will be paid at your IN-NETWORK benefit level. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. If you are billed by the PROVIDER, you will be responsible for paying the bill and filing a claim with BCBSNC.

For more information, see one of the following sections: "EMERGENCY Care" in "COVERED SERVICES," or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about BCBSNC’s access to care standards, see BCBSNC’s website at [bcbsnc.com](http://bcbsnc.com) and type "access to care" in the search bar. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling BCBSNC before receiving care from an OUT-OF-NETWORK PROVIDER.

### Carry Your IDENTIFICATION CARD

Your ID CARD identifies you as a Duke Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit BCBSNC’s website at [BlueConnectNC.com](http://BlueConnectNC.com) or call BCBSNC Customer Service at the number listed in "Who to Contact?"
The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

THE PLAN does not require that you designate a PCP to manage your health care. However, it is important for you to maintain a relationship with a PCP, who will help you manage your health and make decisions about your health care needs. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS from medical specialties such as family practice, internal medicine and pediatrics may participate as PCPs.

Please visit BCBSNC’s website at **bcbsnc.com** or call BCBSNC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves the BCBSNC PROVIDER network and they are currently treating you for an ongoing special condition, see "Continuity of Care" in "UTILIZATION MANAGEMENT."

Upon the request of the MEMBER and subject to approval by BCBSNC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER’S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER’S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and BCBSNC, with notice to the PCP, if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER’S primary and specialty care.

To make this request, or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call BCBSNC Customer Service at the number listed in "Who to Contact?"
Blue Options covers only those services that are MEDICALLY NECESSARY. Also keep in mind as you read this section:

- Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a partial (penalty) or full denial of benefits. General categories of services are noted below as requiring PRIOR REVIEW. Also see "PRIOR REVIEW/Pre-Service" in "UTILIZATION MANAGEMENT" for information about the review process, and visit BCBSNC’s website at BlueConnectNC.com or call BCBSNC Customer Service to ask whether a specific service requires PRIOR REVIEW and CERTIFICATION.

- Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary of Benefits" and "What Is Not Covered?"

- You may receive, upon request, information about Blue Options, its services and DOCTORS, including this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

- You may also receive, upon request, information about the procedure and medical criteria used by BCBSNC to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, or requires PRIOR REVIEW and CERTIFICATION by BCBSNC. BCBSNC medical policies are guides considered by BCBSNC when making coverage determinations. If you need more information about medical policies, see BCBSNC's website at bcbsnc.com, or call BCBSNC Customer Service at the number listed in "Who to Contact?"

**Office Services**

Care you receive as part of an OFFICE VISIT, or house call is covered with a copayment, except as otherwise noted in this benefit booklet. Some PROVIDERS may get ancillary services, such as laboratory services, medical equipment and supplies or SPECIALTY DRUGS, from third parties. In these cases, you may be billed directly by the ANCILLARY PROVIDER. Benefit payments for these services will be based on the type of ANCILLARY PROVIDER, its network status, and how the services are billed. A copayment will not apply if you only receive services such as allergy shots or other injections and are not charged for an OFFICE VISIT.

Some DOCTORS or OTHER PROVIDERS may practice in OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC. See "Summary of Benefits."

Please check with your PROVIDER before your visit to determine if your PROVIDER will collect deductible and coinsurance, or you can call BCBSNC Customer Service at the number listed in "Who to Contact?" for this information.

Prescription drugs for hemophilia may have previously been provided by a physician in an office or outpatient setting and billed to BCBSNC as a medical service. Effective January 1, 2016, these drugs are no longer covered under the OFFICE VISIT services benefit and instead should be covered under a prescription drug benefit. Coverage of prescription drugs are separately administered and are described in a separate document. Please check with your PLAN ADMINISTRATOR or the prescription drug benefits manager for your pharmacy benefit to determine how these drugs are covered.

**Office Services Exclusion**

- Certain self-injectable PRESCRIPTION DRUGS that can be self-administered. The list of these drugs may change from time to time. Visit BCBSNC's website at bcbsnc.com or call BCBSNC Customer Service for a list of these drugs excluded in the office.
- Therapy services for mental illness or substance abuse.

Beginning at age 40, one screening mammogram will be covered per female MEMBER per BENEFIT PERIOD, along with a DOCTOR's interpretation of the results. More frequent or earlier mammograms will be covered as recommended by a DOCTOR when a female MEMBER is considered at risk for breast cancer.

The nutritional counseling visits may include counseling specific to achieving or maintaining a healthy weight. When you see an IN-NETWORK PROVIDER in an office-based setting, any applicable copayment, or coinsurance or deductible is waived for these six visits. If you go to an OUT-OF-NETWORK PROVIDER, deductible and coinsurance will apply. Nutritional counseling visits are separate from the obesity-related OFFICE VISITS noted above.

**Obesity Treatment/Weight Management Exclusions**

- PRESCRIPTION DRUGS for short-term and long-term use in the treatment of clinical obesity
- Removal of excess skin from the abdomen, arms or thighs, except as specifically described above
● Any costs associated with membership in a weight management program except as specifically described above
● Any treatment or regimen, medical or surgical for the purpose of reducing or controlling the weight of the member except as specifically described above.

Diagnostic Services
Diagnostic procedures such as laboratory studies, sleep studies, radiology services and other diagnostic testing, which may include electroencephalograms (EEGs), electrocardiograms (ECGs), Doppler scans and pulmonary function tests (PFTs), help your DOCTOR find the cause and extent of your condition in order to plan for your care. Multiple radiology or imaging procedures on the same date of service and/or during the same patient encounter may not be eligible for separate reimbursement.

Certain diagnostic imaging procedures, such as CT scans, PET scans and MRIs, may require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Your DOCTOR may refer you to a freestanding laboratory, or a sample collection device for these procedures. Separate benefits for interpretation of diagnostic services by the attending DOCTOR are not provided in addition to benefits for that DOCTOR’S medical or surgical services, except as otherwise determined by the PLAN.

Benefits may differ depending on where the service is performed and if the service is received with any other service or associated with a surgical procedure. See "Summary of Benefits."

Diagnostic Services Exclusion

● Lab tests that are not ordered by your DOCTOR or OTHER PROVIDER.

EMERGENCY Care
The PLAN provides benefits for EMERGENCY SERVICES.

An EMERGENCY is the sudden and unexpected onset of a condition of such severity that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

● Placing the health of an individual, or with respect to a pregnant woman the health of the pregnant woman or her unborn child, in serious jeopardy
● Serious physical impairment to bodily functions
● Serious dysfunction of any bodily organ or part
● Death.

Heart attacks, strokes, uncontrolled bleeding, poisonings, major burns, prolonged loss of consciousness, spinal injuries, shock and other severe, acute conditions are examples of EMERGENCIES.

What to Do in an EMERGENCY
In an EMERGENCY, you should seek care immediately from an emergency room or other similar facility. If necessary and available, call 911 or use other community EMERGENCY resources to obtain assistance in handling life-threatening EMERGENCIES. If you are unsure if your condition is an EMERGENCY, you can call HealthLine Blue and a HealthLine Blue nurse will provide information and support that may save you an unnecessary trip to the emergency room.

**Statement of Rights Under the Newborns’ and Mothers’ Health Protection Act**

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.
Termination of Pregnancy (Abortion)
Benefits for abortion are available through the first 16 weeks of a pregnancy for all female MEMBERS except DEPENDENT CHILDREN.

COMPLICATIONS OF PREGNANCY
Benefits for COMPLICATIONS OF PREGNANCY are available to all female MEMBERS including DEPENDENT CHILDREN. Please see "Glossary" for an explanation of COMPLICATIONS OF PREGNANCY.

1. An EMPLOYEE/spouse will not be eligible until the EMPLOYEE has 2 years of continuous service with Duke University or Duke University Health System;
2. Services are provided by the Duke Faculty in Reproductive Endocrinology;
3. The patient meets the specified protocol.

PLEASE NOTE: Decisions regarding infertility coverage are made in accordance with PLAN guidelines. Covered treatments have limitations on the number of services or cycles that are covered.

Commencement Of Coverage

The EFFECTIVE DATE of coverage under the PLAN depends on the circumstances under which the EMPLOYEE enrolls.

- **New EMPLOYEES.** Coverage for a new EMPLOYEE who enrolls in the PLAN may begin either the first day of employment, or the first day of the month following the first day of employment.
- **Newly-Eligible EMPLOYEES.** Coverage for a newly-eligible EMPLOYEE who enrolls in the PLAN within 30 days of first becoming eligible, commences either the first day of eligibility or the first day of the month following eligibility.
- **Open Enrollment.** Coverage for EMPLOYEES who enroll during an open enrollment period commences on the date announced for that open enrollment period.
- **Leave of Absence.** Subject to the applicable provisions of the Family and Medical Leave Act, coverage for EMPLOYEES who enroll after returning from an approved leave of absence commences the first day of the first full month he or she resumes active employment after returning from the leave.
- **Loss of Other Coverage.** Coverage for EMPLOYEES who enroll after losing coverage under another health benefits plan commences on the first day of the first full month after electing coverage.

To be covered under this PLAN, you must be one of the following:

- Regular, full-time faculty EMPLOYEE holding a regular rank appointment who is receiving wages for Social Security purposes; or
- Faculty EMPLOYEE holding other than a regular rank appointment and classified as a full-time or part-time member of the faculty, who is receiving wages for Social Security purposes;
- A regular full-time non-faculty EMPLOYEE scheduled to work at least 30 hours/week; or
- Regular, part-time non-faculty EMPLOYEE who is scheduled to work at least 20 hours per week;
- Visiting faculty member for whom Duke University is required to offer or provide medical benefits by any federal, immigration law or by the terms of an employment contract with Duke University;
- A graduate resident trainee of Duke University Health System, or
- A Duke post doctoral scholar previously eligible for coverage.

You are eligible to participate in a Duke Health Care Program if you meet the payroll/benefit classifications for eligible EMPLOYEES and you are a full-time EMPLOYEE for purposes of the Affordable Care Act (ACA) at your time of hire and each subsequent measurement period.

PLEASE NOTE: An EMPLOYEE who is enrolled in a Plan as the dependent of another Duke EMPLOYEE is not eligible to enroll as an EMPLOYEE under another Duke Health Plan.

For EMPLOYEE Enrollment:

Eligible EMPLOYEES may enroll in the PLAN:

- Within 30 days of beginning employment
- Within 30 days of first becoming eligible to enroll in the PLAN
- During open enrollment period
- Within 30 days after returning to work from an approved leave of absence, including a leave taken pursuant to the Family and Medical leave Act of 1993
- Within 30 days of losing coverage under a spouse's EMPLOYER sponsored health benefit plan, if coverage was lost for one of the following reasons:
  - Divorce or legal separation filed with the court
  - Death of a spouse
  - Termination of the spouse's employment
  - Termination of the EMPLOYER sponsored health benefit plan to which the spouse belonged
  - Within 30 days of giving birth or marriage

Note: Under no circumstances may an EMPLOYEE enroll a sibling, cousin, parent, niece or nephew or other dependent relative as a DEPENDENT.
Duke reserves the right to request proof of DEPENDENT status. EMPLOYEES must provide certified copies of birth certificates, marriage certificates, the first two pages of the tax return (income information removed), and/or proof of joint residency.

For DEPENDENTS to be covered under the PLAN, you must be covered and your DEPENDENT must be one of the following:

- Your spouse under an existing marriage that is legally recognized under any state law
- Your, your spouse's or your same sex domestic partner's DEPENDENT CHILDREN through the end of the month of their 26th birthday. Your EMPLOYER may require proof that your DEPENDENT CHILD meets the definition of DEPENDENT CHILD as outlined in the "Glossary."
- A DEPENDENT CHILD who is and continues to be either mentally or physically handicapped and incapable of self-support may continue to be covered under the PLAN regardless of age if the condition exists and coverage is in effect when the child reaches the end of eligibility for DEPENDENT CHILDREN. The handicap must be medically certified by the child's DOCTOR and may be verified annually by the PLAN.
- Your same sex domestic partner, so long as you and your same sex domestic partner have attested to the PLAN ADMINISTRATOR, in writing to the following:
  1. That you and your same sex domestic partner are both mentally competent
  2. That you and your same sex domestic partner are both at least the age of consent for marriage in the state where you are a resident
  3. That you and your same sex domestic partner are not related by blood to a degree of closeness that would prohibit legal marriage in the state where you are a resident
  4. That you and your same sex domestic partner are not married to anyone else
  5. That you and your same sex domestic partner are mutually responsible for the cost of basic living expenses as evidenced by joint home ownership, common investments, or some other similar evidence of financial interdependence
  6. That you and your same sex domestic partner live together and intend to do so permanently
  7. That you do not currently have a domestic partner covered under the PLAN

The conditions listed in 2-7 above must remain true and correct for your same sex domestic partner to remain an eligible DEPENDENT under the terms of this coverage.

Coverage of handicapped DEPENDENT CHILDREN:
In order to continue coverage of a mentally or physically handicapped DEPENDENT CHILD beyond the end of eligibility for DEPENDENT CHILDREN all of the following criteria must be met:

- The parent must apply for the waiver on or prior to the 26th birthday;
- The mental or physical handicap must be significant and render the child incapable of independent living and self-sustaining employment, and must be supported by medical records;
- The condition must exist on or prior to the end of eligibility for DEPENDENT CHILDREN;
- The parent must remain eligible;
- The parent must provide annual evidence of continued incapacity;
- There must not be a break in coverage after the 26th birthday under the parental policy.

If both parents are EMPLOYEES of Duke University, each eligible person in the household may be covered only once. That is:

- Each spouse may elect Employee Only coverage
- One spouse may elect Employee and Spouse coverage

If there are children involved, each child can only be covered by one parent.

The EFFECTIVE DATE of coverage for a DEPENDENT depends on the circumstances under which he or she was enrolled in the PLAN.

- Enrolled with New or Newly-Eligible EMPLOYEE. Coverage commences on the same date as the EMPLOYEE's coverage.
- During Open Enrollment. The EFFECTIVE DATE of coverage for any DEPENDENTS added during an annual open enrollment period commences on the date announced by Benefits Administration/Human Resources.
- Loss of Other Coverage. Coverage for a spouse who was enrolled within 30 days after involuntarily losing his or her own health benefits coverage, commences the first day of the first full month after he or she involuntarily lost his or her own EMPLOYER sponsored health benefits coverage or the first day of the month following the request for coverage.
• **New Spouse and Stepchildren.** If enrolled within 30 days of marriage, a new spouse and stepchildren (if any) will be covered as of the date of the marriage, or the first day of the first full month following the marriage, at the EMPLOYEE’S selection.

• **Newborn Children.** If enrolled within 30 days of birth, a newborn child will be covered as of the date of birth.

• **Other New Children.** If enrolled within 30 days of placement, adopted children, FOSTER CHILDREN and children for whom the EMPLOYEE is a legal guardian will be covered as of the date of placement.

• **Qualified Medical Child Support Order (QMCSO).** A child for whom the PLAN receives a Qualified Medical Child Support Order may enroll as of the EFFECTIVE DATE of a valid QMCSO provided the EMPLOYEE is currently eligible for coverage. (If the EMPLOYEE is not a MEMBER he or she must enroll at the same time.) Appropriate written documentation is required to determine the qualified status of the Medical Child Support Order.

**Removing Eligible Dependents From Coverage**

DEPENDENTS who continue to be eligible to participate in the PLAN, may not be removed from PLAN coverage except during the annual open enrollment period unless there is a valid change in family status. Benefits Administration/Human Resources must be notified within 30 days of the change and documentation must be provided.

**Enrolling in the PLAN**

**Timely Enrollees**

Qualifying events:

- You or your DEPENDENTS become eligible for coverage under the PLAN when:
  - You or your DEPENDENTS become eligible for coverage under the PLAN
  - You get married or obtain a DEPENDENT through birth, court order, adoption, placement in anticipation of adoption, or foster care placement of an eligible child
  - You or your DEPENDENTS lose coverage under another qualified health benefit plan, and each of the following conditions is met:
    - you and/or your DEPENDENTS are otherwise eligible for coverage under the PLAN, and
    - you and/or your DEPENDENTS were covered under another health benefit plan at the time this coverage was previously offered and declined enrollment due to the other coverage, and
    - you and/or your DEPENDENTS lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, legal separation, divorce, loss of DEPENDENT status, death of the EMPLOYEE, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan's coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of EMPLOYER contributions toward the cost of the other plan's coverage, or vi) meeting or exceeding the lifetime benefit maximum, or vii) the discontinuance of the health benefit plan to similarly situated individuals.
  - You or your DEPENDENTS lose coverage due to loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP) and apply for coverage under this PLAN within 60 days
  - You or your DEPENDENTS become eligible for premium assistance with respect to coverage under this PLAN under Medicaid or Children's Health Insurance Program (CHIP) and apply for coverage under this PLAN within 60 days

**Late Enrollees**

See also "Adding or Removing a DEPENDENT."

**Adding or Removing a DEPENDENT**

Do you want to add or remove a DEPENDENT? You must notify Duke Benefits and complete any required forms. Failure to notify Duke Benefits of the need to remove a DEPENDENT could result in loss of eligibility for continuation of coverage.

To add a DEPENDENT, due to a valid change in family status as defined by the Internal Revenue Service, you must notify the PLAN ADMINISTRATOR within 30 days of the DEPENDENTS becoming eligible. For instance, if you marry and want your spouse to be covered under the PLAN, your spouse's coverage will be effective on the date of your marriage so long as you complete the Enrollment Application and Change Form within 30 days after your marriage. Documentation is required.

You may only remove DEPENDENTS from your coverage within 30 days of a valid change in family status as defined by the IRS by contacting the Human Resources Information Center. DEPENDENTS must be removed from coverage when they are...
no longer eligible, such as when a child is no longer eligible due to age. The EFFECTIVE DATE of removal will be the end of the month in which the event occurs. If DEPENDENTS are removed due to divorce or death, the EFFECTIVE DATE of removal will be the day of the event. Refer to “Eligibility Ends” for more information.

**Qualified Medical Child Support Order**
A Qualified Medical Child Support Order (QMCSO) is any judgment, decree or order that is issued by an appropriate court or through an administrative process under state law that: (1) provides for coverage of the child of a MEMBER under the PLAN; and (2) is either issued according to state law or a law relating to medical child support described in Section 1908 of the Social Security Act. A QMCSO must be specific as to the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the applicable period of the QMCSO. A copy of the QMCSO procedures may be obtained free of charge from the PLAN ADMINISTRATOR.

**Types of Coverage**
These are the types of coverage available:
- **EMPLOYEE-only coverage**—The PLAN covers only you
- **EMPLOYEE-spouse coverage**—The PLAN covers you and your spouse or same sex domestic partner
- **EMPLOYEE-child coverage**—The PLAN covers you and one DEPENDENT CHILD
- **EMPLOYEE-children coverage**—The PLAN covers you and your DEPENDENT CHILDREN
- **Family coverage**—The PLAN covers you, your spouse or same sex domestic partner and your DEPENDENT CHILDREN.

**Reporting Changes**
Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact the PLAN ADMINISTRATOR and fill out the proper form. It will help assure better service if BCBSNC is kept informed of these changes.

**Continuing Coverage**
Under certain circumstances, your eligibility for coverage under this PLAN may end.

You may have certain options such as enrolling in Medicare or continuing health insurance under this PLAN.

**Medicare**
When you reach age 65, you may be eligible for Medicare Part A HOSPITAL, Medicare Part B medical, and Medicare Part D prescription drug benefits. You may be eligible for Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Just before either you or your spouse turns 65 or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available. If you are covered by this PLAN when you become eligible for Medicare and are not actively employed by Duke, **you are required to enroll in Medicare Parts A and B and your coverage will be transferred to another Duke sponsored plan, Duke Plus.**

The PLAN As Your Primary Coverage - Active EMPLOYEES Age 65 Or Over
If the PLAN is your primary coverage, you will continue to receive full benefits under the PLAN. Medicare will pay any differences between the payments made by the PLAN and what Medicare would have paid if you had no additional insurance.

Medicare As Your Primary Coverage
If you are over 65 and the spouse of an active EMPLOYEE and elect Medicare as your primary coverage, then you must terminate coverage under this plan.

If you are over 65 and you are an active employee and elect Medicare as your primary coverage, then your coverage and that of enrolled DEPENDENTS will end. Also see “Eligibility Ends” for information on continuation coverage.

**Medicare And Disability**
If you become disabled and eligible for Medicare due to your disability, you must enroll in both Medicare A and B.

If you or your spouse is retired and you are entitled to Medicare disability benefits, you must enroll in both Medicare A and B, then Medicare will pay primary benefits. Your coverage will be transferred to another Duke sponsored plan, Duke Plus.
Medicare and Termination of Employment
If you terminate employment with Duke and you and your covered spouse are age 65 or over you will need to obtain a document in the Benefits office which will allow you and or your spouse to enroll in Part B and D with no penalty.

Medicare And End-Stage Renal Disease
Medicare benefits are secondary for a period of 30 months for you if you are under age 65 and entitled to Medicare due to end-stage renal disease. Medicare will remain secondary for this 30-month period regardless of whether you or your Medicare-eligible spouse remains currently employed or continues coverage under the PLAN after termination of employment. After the expiration of the 30-month period, even if you are still currently employed with Duke, if you are eligible for Medicare due to end-stage renal disease, you must enroll in part A and B and Medicare will become primary to the PLAN.

Who To Contact About Medicare
Just before you or your spouse turns 65, when disability occurs, or when you are ready to leave employment or at age 65, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available for you at that time.

If you are covered by the PLAN, and you become eligible for Medicare, consult the Duke Benefits office. The Duke Benefits office will advise you about the continuation of coverage under the PLAN.

Retirement
To continue to receive the health insurance plan in retirement, you must meet the following criteria:
- At the time of retirement, you must be enrolled under the health plan as the subscriber.
- Health insurance may also be continued for your spouse and eligible DEPENDENT CHILDREN who are covered at the time of your retirement.
- If your spouse and/or eligible DEPENDENT CHILDREN are not enrolled at the time of retirement, they will not be eligible to be enrolled in the future.
- Retirees eligible for Medicare may only participate in one health plan. If you are eligible as a retiree for another plan, or choose to enroll in a commercial Medicare supplement, you must drop Duke Plus, or the other plan. You may not have two plans when also eligible for Medicare. Once you disenroll in Duke Plus, you may not re-enroll, unless you dropped coverage to be an active EMPLOYEE.

Eligibility Requirements for Duke University and Medical Center Employees
You must meet the Rule of 75, which became effective July 1, 1990. It requires that your age plus years of continuous service with Duke at retirement must be equal to or greater than 75. Thus, an EMPLOYEE or faculty member must have at least ten years of continuous service to retire at 65 and continue Duke health coverage.

Note: If a faculty member or staff member meets the retiree health eligibility requirements and retires (early or normal), the retiree may suspend health or dental coverage and contributions at any time while employed and receiving benefits elsewhere*. Re-enrollment in the health or dental plan must occur within 30 days of the termination of other employer sponsored coverage. Proof of continuous coverage through another employer plan will be required. If the individual re-enrolls after this 30 day period, the individual must pay the full premium (including the employer share) retroactive to the termination of the prior employer coverage and up to the time of re-enrollment. Thereafter, the individual shall pay the employee/retiree share. Also, if the former EMPLOYEE and/or spouse is eligible for Medicare, enrollment in Parts A and B are required immediately.

* Coverage under another plan available to the individual as a retiree of another employer, through the spouse's employer or retiree health plan, or from service with the military does not count as an employee under another employer sponsored plan.

Eligibility Requirements for Duke University Health Systems (DUHS) Employees
EMPLOYEES hired on or after July 1, 2002 are eligible for retiree health coverage if they meet the following criteria:
- Have 15 years of continuous service after age 45 — Retiree pays 100% of the premium
EMPLOYEES hired by DUHS prior to July 1, 2002 are eligible for retiree health coverage if they meet one of the following criteria:
- Met the Rule of 75 (your age + years of continuous service = 75) as of July 1, 2002
- EMPLOYEE had at least 15 years of continuous services (but did not meet the Rule of 75) as of July 1, 2002, then the EMPLOYEE is grand-fathered under the Rule of 75 eligibility provision
**WHEN COVERAGE BEGINS AND ENDS (cont.)**

- EMPLOYEE is at least 60 years of age, with 10 or more years of continuous service (but did not meet the Rule of 75) as of July 1, 2002, then the EMPLOYEE is grand-fathered under the Rule of 75 eligibility provision
- All other EMPLOYEES employed by DUHS prior to July 1, 2002 are eligible for retiree health coverage at the time of retirement if they meet one of the following eligibility criteria:
  - Have 15 years of continuous service after age 45 — DUHS will pay a portion of the premium OR
  - Met the Rule of 75 — retiree pays 100% of the premium

Note: If a faculty or staff member meets the retiree health eligibility requirements and retires (early or normal), the retiree may suspend health or dental coverage and contributions at any time while employed and receiving benefits elsewhere*. Re-enrollment in the health or dental plan must occur within 30 days of the termination of other employer-sponsored coverage. Proof of continuous coverage through another employer plan will be required. If the individual attempts to re-enroll after this 30 day period, the individual must pay the full premium (including the employer share) retroactive to the termination of the prior employer coverage and up to the time of re-enrollment. Thereafter, the individual shall pay the employee/retiree share. If the former EMPLOYEE and/or spouse is eligible for Medicare, enrollment is required immediately.

*Coverage under another plan available to the individual as a retiree of another employer, through a spouse's employer or retiree health plan, or from service with the military does not count as an employee under another employee sponsored plan.

Note about Transfers: Employees who have transferred to the University/Medical Center from the Health System will not immediately fall under the eligibility rules for the University/Medical Center. After working 5 continuous years for the University/Medical Center, the eligibility rules for the University/Medical Center in place at that time will apply.

**Eligibility Ends**
Under certain circumstances, your eligibility for coverage under the PLAN may end. You may be eligible to continue employer health coverage under the PLAN. Read this section to find out what your options are regarding eligibility for continuation of coverage.

**Continuation Under Federal Law**
Under a federal law known as COBRA, if your EMPLOYER has 20 or more EMPLOYEES, you and your covered DEPENDENTS can elect to continue coverage for up to 18 months by paying applicable fees to the EMPLOYER in the following circumstances:
- Your employment is terminated (unless the termination is the result of gross misconduct)
- Your hours worked are reduced, causing you to be ineligible for coverage.

In addition to their rights above, DEPENDENTS will be able to continue coverage for up to 36 months if their coverage is terminated due to:
- Your death
- Divorce or legal separation
- Your entitlement to Medicare
- A DEPENDENT CHILD ceasing to be a DEPENDENT under the terms of this coverage.

Children born to or placed for adoption with you during the continuation coverage period are also eligible for the remainder of the continuation period.

Domestic partners and children of the same sex domestic partner are not eligible for COBRA benefits under federal law. All references to DEPENDENTS in this section do not apply to a same sex domestic partner or their children.

If you are a retired EMPLOYEE and your EMPLOYER allows coverage to extend to retirees under this PLAN, and you, your spouse and your DEPENDENTS lose coverage resulting from a bankruptcy proceeding against your EMPLOYER, you may qualify for continuation coverage under COBRA. Contact the PLAN ADMINISTRATOR for conditions and duration of continuation coverage.

In addition, you and/or your DEPENDENTS, who are determined by the Social Security Administration to be disabled, may be eligible to extend their 18-month period of continuation coverage, for a total maximum of 29 months. The disability has to have started at some time before the 60th day of continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Notice must be provided to the PLAN ADMINISTRATOR within 60 days of the determination of disability by the Social Security Administration and prior to the end of the original 18-month period of continuation coverage. In addition, notice must be provided to the PLAN ADMINISTRATOR within
30 days after the later of the date of determination that the individual is no longer disabled or the date of the initial notification of this notice requirement.

You or your DEPENDENTS must notify the PLAN ADMINISTRATOR within 60 days of the following triggering events:
- Divorce
- Legal separation
- Ineligibility of a DEPENDENT CHILD.

You and/or your DEPENDENTS will be offered continuation coverage within 14 days of the date that the COBRA administrator is notified of one of these events resulting in the termination of your coverage. Eligible persons have 60 days to elect or reject continuation coverage. Following election, applicable fees must be paid to the COBRA administrator within 45 days.

Continuation coverage will end at the completion of the applicable continuation period or earlier if:
- Your EMPLOYER ceases to provide a health benefit plan to EMPLOYEES
- The continuing person fails to pay the monthly fee on time
- The continuing person obtains coverage under another group plan
- The continuing person becomes entitled to Medicare after the election of continuation coverage.

If you are covered by the PLAN and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult the PLAN ADMINISTRATOR. The PLAN ADMINISTRATOR will advise you about the continuation of coverage and reinstatement of coverage under this PLAN as required under USERRA.

If you have any questions about your COBRA rights or continuation of coverage, please contact the PLAN ADMINISTRATOR.

**Health Insurance and Long Term Disability**

Employees participating in a Duke Health Plan at the time of approval for Long Term Disability benefits may continue to participate in a Duke Health Plan with the following qualifications:

- The individual must be participating (in a fully paid-up status) in a Duke Health Plan on their last day worked;
- Premiums must be paid in a timely manner, or deducted from the LTD check. If terminated for non-payment, there is no reinstatement;
- There must not be a break in coverage under the disabled individual’s Duke Health Plan;
- No additional family members may be added to the coverage once the individual is approved for Long Term Disability regardless of a qualifying event;
- When a family member is removed from coverage, they may not re-enroll;
- Once eligible for Medicare, the individual must notify Benefits and immediately enroll in Medicare A and B. Those who do not enroll in Medicare B in a timely manner will be responsible for payment of those claims that would have been attributable to Medicare B;
- All persons participating in a Duke Health Plan during approved Long Term Disability will be enrolled in the Duke Plus Plan once Medicare becomes primary for them or a family member;
- If the individual dies while on Duke Long Term Disability, health coverage for family members will depend on the eligibility of the deceased individual for retiree health benefits. If the decedent was eligible at the time of death, the covered family members may continue under the survivor benefits. COBRA will be available to those who are not eligible.

**Termination of MEMBER Coverage**

BCBSNC will terminate coverage under the PLAN in accordance with eligibility information provided by the EMPLOYER. A MEMBER’s termination shall be effective at 11:59 p.m. on the date that eligibility ends.

**Termination for Cause**

A MEMBER’s coverage may be terminated upon 31 days prior written notice for the following reasons:
- The MEMBER fails to pay or to have paid on his or her behalf or to make arrangements to pay any copayments, deductible or coinsurance for services covered under the PLAN.
• No IN-NETWORK PROVIDER is able to establish or maintain a satisfactory DOCTOR-patient relationship with a MEMBER, as determined by the PLAN
• A MEMBER exhibits disruptive, abusive, or fraudulent behavior toward an IN-NETWORK PROVIDER.

As an alternative to termination as stated above, the PLAN, in its sole discretion, may limit or revoke a MEMBER'S access to certain IN-NETWORK PROVIDERS.

A MEMBER'S coverage under the PLAN will be terminated immediately for the following reasons:
• Fraud or intentional misrepresentation of a material fact by a MEMBER or DEPENDENT. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see "What if You Disagree With a Decision?" If your policy is rescinded, any premiums paid will be returned unless BCBSNC deducts the amount for any claims paid.
• A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to BCBSNC personnel or property
• A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this PLAN, or uses another person's ID CARD.
UTILIZATION MANAGEMENT

To make sure you have access to high quality, cost-effective health care, BCBSNC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires that certain health care services be reviewed and approved by BCBSNC in order to receive benefits. As part of this process, BCBSNC looks at whether health care services are MEDICALLY NECESSARY, provided in the proper setting and provided for a reasonable length of time. BCBSNC will honor a CERTIFICATION to cover medical services or supplies under the PLAN unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under the PLAN due to termination of coverage (including your voluntary termination of coverage) or nonpayment of premiums.

Rights and Responsibilities Under the UM Program

Your MEMBER Rights
Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for BCBSNC’s ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, including an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director from BCBSNC make a final determination of all ADVERSE BENEFIT DETERMINATIONS that were based upon MEDICAL NECESSITY
- Request a review of an ADVERSE BENEFIT DETERMINATION through the appeals process (see "What if You Disagree With a Decision?")
- Have an authorized representative pursue payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER’s behalf with the MEMBER’s written consent. In the event you appoint an authorized representative, references to "you" under the "UTILIZATION MANAGEMENT" section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

BCBSNC’s Responsibilities
As part of all UM decisions, BCBSNC will:

- Provide you and your PROVIDER with a toll-free telephone number to call UM review staff when CERTIFICATION of a health care service is needed. See "Who to Contact?"
- Limit what BCBSNC requests from you or your PROVIDER to information that is needed to review the service in question
- Request all information necessary to make the UM decision, including pertinent clinical information
- Provide you and your PROVIDER prompt notification of the UM decision consistent with applicable state and federal law and the PLAN.

In the event that BCBSNC does not receive sufficient information to approve coverage for a health care service within specified time frames, BCBSNC will notify you of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)
The PLAN requires that certain health care services receive PRIOR REVIEW and CERTIFICATION as noted in "COVERED SERVICES." These types of reviews are called pre-service reviews.

Certain services require PRIOR REVIEW and CERTIFICATION by the PLAN in order to receive benefits. IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient FACILITIES outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans’ Affairs (VA) and military providers. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by BCBSNC. Failure to request PRIOR REVIEW and receive CERTIFICATION may result in allowed charges being reduced or a full denial of benefits.

If PRIOR REVIEW is required by the PLAN, you or your PROVIDER must request PRIOR REVIEW regardless of whether this PLAN is your primary or secondary coverage (see "Maintenance Of Benefits (Overlapping Coverage)"). Also, the PLAN requires notification for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified HOSPITAL or NONHOSPITAL FACILITY. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION.

To request PRIOR REVIEW, please call the numbers in "Who to Contact?"
General categories of services with this requirement are noted in "COVERED SERVICES." You may also visit BCBSNC's website at BlueConnectNC.com or call BCBSNC Customer Service at the number listed in "Who to Contact?” for a detailed list of these services. The list of services that require PRIOR REVIEW may change from time to time.

If you fail to follow the procedures for filing a request for CERTIFICATION, BCBSNC will notify you of the failure and the proper procedures to be followed in filing your request within five days of receiving the request.

BCBSNC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after BCBSNC receives all necessary information but no later than 15 days from the date BCBSNC received the request. BCBSNC may extend this period one time for up to 15 days if additional information is required and will notify you and your PROVIDER before the end of the initial 15-day period of the information needed and the date by which BCBSNC expects to make a decision. You will have 45 days to provide the requested information. As soon as BCBSNC receives all the requested information, or at the end of the 45 days, whichever is earlier, BCBSNC will make a decision within three business days. BCBSNC will notify you and the PROVIDER of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

**Urgent PRIOR REVIEW**

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your or your DEPENDENT's life, health, or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. BCBSNC will notify you and your PROVIDER of its decision as soon as possible, taking into account the medical circumstances. BCBSNC will notify you and your PROVIDER of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be provided to you and your PROVIDER. If BCBSNC needs more information to process your urgent review, BCBSNC will notify you and your PROVIDER of the information needed as soon as possible but no later than 24 hours following the receipt of your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. As soon as BCBSNC receives the requested information, or at the end of the time period specified for you to provide the information, whichever is earlier, BCBSNC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or the end of the time period given to the PROVIDER to submit necessary clinical information.

An urgent review may be requested by calling BCBSNC Customer Service at the number given in "Who to Contact?"
Continuity of care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for ongoing special conditions at the IN-NETWORK benefit level when the MEMBER or EMPLOYER changes plans or when your PROVIDER is no longer in the PPO network.

If your PCP or SPECIALIST leaves the BCBSNC PROVIDER network and they are currently treating you for an ongoing special condition that meets BCBSNC continuity of care criteria, BCBSNC will notify you 30 days before the PROVIDER's termination, as long as BCBSNC receives timely notification from the PROVIDER. To be eligible for continuity of care, the MEMBER must be actively being seen by the OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by the BCBSNC requirements for continuity of care.

An ongoing special condition means:

- in the case of an acute illness, a condition that is serious enough to require medical care or treatment to avoid a reasonable possibility of death or permanent harm;
- in the case of a chronic illness or condition, a disease or condition that is life-threatening, degenerative, or disabling, and requires medical care or treatment over a prolonged period of time;
- in the case of pregnancy, the second and third trimesters of pregnancy;
- in the case of a terminal illness, an individual has a medical prognosis that the MEMBER's life expectancy is six months or less.

The allowed transitional period shall extend up to 90 days, as determined by the PROVIDER, except in the cases of:
- scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
• second trimester pregnancy which shall extend through the provision of postpartum care; and
• terminal illness which shall extend through the remainder of the individual’s life with respect to care directly related to the treatment of the terminal illness.

Continuity of care requests will be reviewed by a medical professional based on the information provided about specific medical conditions. Claims for approved continuity of care services will be subject to the IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of care will not be provided when the PROVIDER’S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call BCBSNC Customer Service at the number listed in "Who to Contact?" for more information.

Evaluating New Technology
In an effort to allow for continuous quality improvement, BCBSNC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow BCBSNC to determine the best services and products to offer MEMBERS. They also help BCBSNC keep pace with the ever-advancing medical field. Before implementing any new or revised policies, BCBSNC reviews professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. BCBSNC then seeks additional input from PROVIDERS who know the needs of the patients they serve.
In addition to the UM program, BCBSNC offers an appeals process for MEMBERS.

If you want to appeal an ADVERSE BENEFIT DETERMINATION, you have the right to request that BCBSNC review the decision through the appeals process. The appeals process is voluntary and may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you appoint an authorized representative, references to "you" under this section mean "you or your authorized representative" (i.e., the authorized representative may pursue your rights and shall receive all notices and benefit determinations).

You may request, at no charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim for benefits.

Steps to Follow in the Appeals Process

For each step in this process, there are specified time frames for filing an appeal and for notifying you or your PROVIDER of the decision. The type of ADVERSE BENEFIT DETERMINATION will determine the steps that you will need to follow in the appeals process. For all appeals, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date indicated on your Explanation of Benefits.

Any request for review should include:

- MEMBER'S ID number
- MEMBER'S name
- Patient's name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit BCBSNC's website at BlueConnectNC.com or call BCBSNC Customer Service at the number given in "Who to Contact?"

All correspondence related to a request for a review through BCBSNC's appeals process should be sent to:

BCBSNC
Appeals Department
PO Box 30055
Durham, NC 27702-3055

You may also receive assistance from the Employee Benefits Security Administration at 1-866-444-3272.

Following such request for review, a review will be conducted by BCBSNC, by someone who is neither the individual who made the original claims denial that is the subject of the appeal, nor the subordinate of such individual. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations with respect to whether a particular treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, BCBSNC shall consult with a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by BCBSNC) who was not involved in the initial claims denial and who is not a subordinate of any such individual.

You will have exhausted the PLAN'S internal appeal process after pursuing a first level appeal. Unless otherwise noted below, upon completion of the first level appeal you may: pursue a second level appeal; or pursue a civil action under 502(a) of ERISA.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by BCBSNC within ten business days.

First Level Appeal

BCBSNC will provide you with the name, address and phone number of the appeals coordinator within three business days after receipt of a review request. BCBSNC will also give you instructions on how to submit written materials.

Although you are not allowed to attend a first level appeal, you may provide and/or present written evidence and testimony. BCBSNC asks that you send all of the written material you feel is necessary to make a decision. BCBSNC will use the material provided in the request for review, along with other available information, to reach a decision. If your appeal is due to a NONCERTIFICATION, your appeal will be evaluated by a licensed medical DOCTOR who was not involved in the initial NONCERTIFICATION decision. You may receive, in advance, any new information that BCBSNC
may use in making a decision or any new or additional rationale so that you have an opportunity to respond prior to the notice of an ADVERSE BENEFIT DETERMINATION.

BCBSNC will send you notification of the decision in clear written terms within a reasonable time but no later than 30 days from the date BCBSNC received the request. You may then request all information that was relevant to the review.

Second Level Appeal
If you are dissatisfied with the first level appeal decision, you have the right to a second level appeal. Second level appeals are not allowed for benefits or services that are clearly excluded by this benefit booklet, or quality of care complaints. Within ten business days after BCBSNC receives your request for a second level appeal, BCBSNC will send you an acknowledgement letter which will include the following:

- Name, address and telephone number of the appeals coordinator
- A statement of your rights, including the right to:
  - request and receive all information that applies to your appeal from BCBSNC
  - participate in the second level appeal meeting
  - present your case to the review panel
  - submit supporting material before and during the review meeting
  - ask questions of any member of the review panel
  - be assisted or represented by a person of your choosing, including a family member, an EMPLOYER representative, or an attorney
  - pursue other voluntary alternative dispute resolution options as applicable.

The second level appeal meeting, which will be conducted by a review panel coordinated by BCBSNC using external physicians and/or benefit experts, will be held within 45 days after BCBSNC receives a second level appeal request. You will receive notice of the meeting date and time at least 15 days before the meeting, which will be held by teleconference. You have the right to a full review of your appeal even if you do not participate in the meeting. A written decision will be issued to you within seven business days of the review meeting.

Notice of Decision
If any claim (whether expedited or nonexpedited) shall be wholly or partially denied at either the first level appeal or the second level appeal, a written notice shall be provided to the MEMBER worded in an understandable manner and shall set forth:

- The specific reason(s) for the denial
- Reference to the specific health benefit plan provisions on which the decision is based
- A statement that the MEMBER is entitled to receive, upon request and without charge, reasonable access to, and copies of, all documents, records and other information relevant to the MEMBER'S claim for benefits
- If applicable, a statement describing any voluntary appeals procedures and the MEMBER'S right to receive information about the procedures as well as the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following an adverse determination upon review
- A copy of any internal rule, guideline, protocol or other similar criteria relied on in making the decision or a statement that such specific rule, guideline, protocol, or other similar criteria was relied upon in making the decision and that this will be provided without charge upon request
- The right to pursue other voluntary alternative dispute resolution options as applicable
- If the decision is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that such explanation will be provided without charge upon request; and
- The following statement: "You may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office."

Expedited Appeals (Available only for NONCERTIFICATIONS)
You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. An expedited review may be initiated by calling BCBSNC Customer Service at the number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level appeal apply to an expedited review. BCBSNC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances, but no later than 72 hours
after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, BCBSNC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.
ADDITIONAL TERMS OF YOUR COVERAGE

Benefits to which MEMBERS are Entitled
The benefits described in this benefit booklet are provided only for MEMBERS. These benefits and the right to receive payment under this health benefit plan cannot be transferred or assigned to any other person or entity, including PROVIDERS. Under the PLAN, BCBSNC may pay a PROVIDER directly. For example, BCBSNC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER’s right to be paid directly is through such contract with BCBSNC, and not through the PLAN. Under the PLAN, BCBSNC has the sole right to determine whether payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. BCBSNC’s decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under the PLAN, including but not limited to benefits, payments or procedures.

If a MEMBER resides with a custodial parent or legal guardian who is not the EMPLOYEE, the PLAN will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the EMPLOYEE or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in the PLAN will be provided only for services and supplies that are performed by a PROVIDER as specified in the PLAN and regularly included in the ALLOWED AMOUNT. BCBSNC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under the PLAN.

Any amounts paid by the PLAN for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by BCBSNC. BCBSNC may recover the amounts by deducting from a MEMBER’s future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if BCBSNC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, BCBSNC may collect such amounts directly from you.

Amounts paid by the PLAN for work-related accidents, injuries, or illnesses covered under state workers’ compensation laws will be recovered upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers’ compensation insurer (whoever is responsible for payment of the medical expenses) to notify BCBSNC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

Grandfathered Health Plan Disclosure
The PLAN ADMINISTRATOR believes this health benefit plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your PLAN ADMINISTRATOR at Duke University and Duke University Health Systems.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

BCBSNC’s Disclosure of Protected Health Information (PHI)
The privacy of your protected health information is very important. BCBSNC will only use or disclose your protected health information in accordance with applicable privacy laws, including the Health Insurance Portability and Accountability Act (HIPAA).

Administrative Discretion
BCBSNC has the authority to use its discretion to make reasonable determinations in the administration of coverage. These determinations will be final. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. BCBSNC medical policies are guides considered when making coverage determinations.

North Carolina PROVIDER Reimbursement
BCBSNC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. BCBSNC’s payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, or other methodology as agreed upon by BCBSNC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from BCBSNC greater than the charges for services provided to an eligible MEMBER, or BCBSNC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER’S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER’S billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with BCBSNC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with BCBSNC.

**Services Received Outside of North Carolina**

BCBSNC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as "Inter-Plan Programs." As a MEMBER of the PLAN, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of the PLAN. While the PLAN maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services ("Host Blue") is responsible for contracting with and generally handling all interactions with its participating PROVIDERS.

Whenever you obtain health care services outside the area in which the BCBSNC network operates, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include Negotiated National Account Arrangements available between BCBSNC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the lesser of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the "Host Blue" passes on to BCBSNC.

This "negotiated price" can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that BCBSNC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for COVERED SERVICES will be calculated based on the negotiated price made available to BCBSNC by the Host Blue.

If you receive COVERED SERVICES from a nonparticipating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue’s nonparticipating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, the PLAN may use other payment bases, such as billed charges, to determine the amount the PLAN will pay for COVERED SERVICES from a nonparticipating PROVIDER. In any of these situations, you may be liable for the difference between the nonparticipating PROVIDER’S billed amount and any payment the PLAN would make for the COVERED SERVICES.

**Right of Recovery Provision**
Immediately upon paying or providing any benefit under the PLAN, the PLAN shall be subrogated to all rights of recovery a MEMBER has against any party potentially responsible for making any payment to a MEMBER due to a MEMBER'S injuries, illness or condition, to the full extent of benefits provided or to be provided by the PLAN.

In addition, if a MEMBER receives any payment from any potentially responsible party as a result of an injury, illness or condition, the PLAN has the right to recover from, and be reimbursed by, the MEMBER for all amounts the PLAN has paid and will pay as a result of that injury or illness, up to and including the full amount the MEMBER receives from all potentially responsible parties. The MEMBER agrees that if the MEMBER receives any payment from any potentially responsible party as a result of an injury or illness, the MEMBER will serve as a constructive trustee over the funds for the benefit of the PLAN. Failure to hold such funds in trust will be deemed a breach of the MEMBER'S fiduciary duty to the PLAN.

Further, the PLAN will automatically have a lien, to the extent of benefits advanced, upon any recovery whether by settlement, judgment or otherwise, that a MEMBER receives from the third party, the third party's insurer or any other source as a result of the MEMBER'S injuries. The lien is in the amount of benefits paid by the PLAN for the treatment of the illness, injury or condition for which another party is responsible.

As used throughout this provision, the term responsible party means any party possibly responsible for making any payment to a MEMBER due to a MEMBER'S injuries or illness or any insurance coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers' compensation coverage, no-fault automobile insurance coverage, or any first party insurance coverage.

The lien can be filed with or enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the PLAN including, but not limited to, the MEMBER; the MEMBER'S representative or agent; responsible party; responsible party's insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the PLAN.

The MEMBER acknowledges that the PLAN'S recovery rights are a first priority claim against all potentially responsible parties and are to be paid to the PLAN before any other claim for the MEMBER'S damages. The PLAN shall be entitled to full reimbursement first from any potentially responsible party payments, even if such payment to the PLAN will result in a recovery to the MEMBER which is insufficient to make the MEMBER whole or to compensate the MEMBER in part or in whole for the damages sustained.

It is further understood that the PLAN will pay all fees associated with counsel it hires to represent its interests related to any recovery it may be entitled to, but it is agreed that the PLAN is not required to participate in or pay court costs or attorney fees to any attorney hired by the MEMBER.

The terms of this entire right of recovery provision shall apply and the PLAN is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party and regardless of whether the settlement or judgment received by the MEMBER identifies the medical benefits the PLAN provided. The PLAN is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages only.

The MEMBER acknowledges that BCBSNC has been delegated authority by the PLAN ADMINISTRATOR to assert and pursue the right of subrogation and/or reimbursement on behalf of the PLAN. The MEMBER shall fully cooperate with BCBSNC's efforts to recover benefits paid by the PLAN. It is the duty of the MEMBER to notify BCBSNC in writing of the MEMBER'S intent to pursue a claim against any potentially responsible party, within 30 days of the date when any notice is given to any party, including an attorney, of the intention to pursue or investigate a claim to recover damages or obtain compensation due to injuries or illness sustained by the MEMBER. The MEMBER shall provide all information requested by BCBSNC or its representative including, but not limited to, completing and submitting any applications or other forms or statements as BCBSNC may reasonably request.

The MEMBER shall do nothing to prejudice the PLAN'S recovery rights as herein set forth. This includes, but is not limited to, refraining from entering into any settlement or recovery that attempts to reduce, waive, bar or exclude the full cost of all benefits provided by the PLAN.

In the event that any claim is made that any part of this right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the MEMBER and the PLAN agree that the PLAN ADMINISTRATOR shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

The MEMBER agrees that any legal action or proceeding with respect to this provision may be brought in any court of competent jurisdiction as BCBSNC may elect. Upon receiving benefits under the PLAN, the MEMBER hereby submits to each such jurisdiction, waiving whatever rights may correspond to the MEMBER by reason of the MEMBER'S present or future domicile.

**Notice of Claim**
The PLAN will not be liable for payment of benefits unless proper notice is furnished to BCBSNC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to BCBSNC within 18 months after the MEMBER INCURS the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for BCBSNC to determine benefits.

### Notice of Benefit Determination

BCBSNC will provide an explanation of benefits determination to the MEMBER or the MEMBER's authorized representative within 30 days of receipt of a notice of claim if the MEMBER has financial liability on the claim other than a copayment or other services where payment was made at the point of service (unless the PLAN has chosen to provide an explanation of benefits for additional claims where the MEMBER does not have a financial liability other than a copayment).

BCBSNC may take an extension of up to 15 more days to complete the benefits determination if additional information is needed. If BCBSNC takes an extension, BCBSNC will notify the MEMBER or the MEMBER's authorized representative of the extension and of the information needed. You will then have 90 days to provide the requested information. As soon as BCBSNC receives the requested information, or at the end of the 90 days, whichever is earlier, BCBSNC will make a decision within 15 days.

Such notice will be worded in an understandable manner and will include:

- The specific reason(s) for the denial of benefits
- Reference to the benefit booklet section on which the denial of benefits is based
- A description of any additional information needed for you to perfect the claim and an explanation of why such information is needed
- A description of the review procedures and the time limits applicable to such procedures, including the MEMBER's right to bring a civil action under Section 502(a) of ERISA following a denial of benefits
- A copy of any internal rule, guideline, protocol or other similar criteria relied on, if any, in making the benefit determination or a statement that it will be provided without charge upon request
- If the denial of benefits is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the PLAN to the MEMBER's medical circumstances, or a statement that this will be provided without charge upon request; and
- In the case of a denial of benefits involving URGENT CARE, a description of the expedited review process available to such claims.

Upon receipt of a denial of benefits, you have the right to file an appeal with BCBSNC. See "What if You Disagree with a Decision?" for more information.

### Limitation of Actions

No legal action may be taken to recover benefits for 60 days after the Notice of Claim has been given as specified above and until you have exhausted all administrative remedies, including following the appeals process. If the PLAN is subject to ERISA, you must only exhaust the first level appeal process following the Notice of Claim requirement.

Please see "What if You Disagree with a Decision?" for details regarding the appeals process.

No legal action may be taken later than three years from the date services are INCURRED. However, if you are authorized to pursue an action in federal court under ERISA, and you choose to pursue a second level appeal, the three-year limitation is temporarily suspended until that review has been resolved.

### Maintenance of Benefits (Overlapping Coverage)

If a MEMBER is also enrolled in another group health plan, the PLAN may take into account benefits paid by the other plan.

Maintenance of benefits (MOB) means that if a MEMBER is covered by more than one group insurance plan, benefits under one group insurance plan are determined before the benefits are determined under the second group insurance plan. The group insurance plan that determines benefits first is called the primary group insurance plan. The other group insurance plan is called the secondary group insurance plan.

Under Maintenance of Benefits, if the PLAN is the secondary group insurance plan, it will pay the difference, if any, between the amount that would have been paid if the PLAN was primary, and the amount that the primary group insurance plan pays. The PLAN does this by calculating what it would normally pay if it were the primary group insurance plan, and then subtracting from that amount the amount that was paid by the primary group insurance plan. If there is any balance
left over, then the PLAN will pay that balance. This means that you will not receive 100 percent coverage between the two plans.

If you receive services from an OUT-OF-NETWORK PROVIDER, you are responsible for any charges not paid by either group insurance plan. You may wish to check with the primary group insurance plan to find out if an OUT-OF-NETWORK PROVIDER participates in the primary group insurance plan’s network and whether this affects your responsibility for paying up to the PROVIDER’S charges.

If either the primary or the secondary health benefit plan covers a particular service, where the PLAN is the secondary plan, the PLAN will coordinate benefits for that service based on the benefits of the secondary coverage. However, if neither the primary nor secondary plan covers a particular service, the MEMBER will be responsible for payment for that service.

BCBSNC, on behalf of the PLAN may request information about the other plan from the MEMBER. A prompt reply will help BCBSNC process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits from other group health plans are taken into account, benefits for COVERED SERVICES under this PLAN are still subject to program requirements, such as PRIOR REVIEW and CERTIFICATION procedures.

**Important Information for MEMBERS Eligible for Medicare**

If you or your DEPENDENTS become eligible for Medicare, you should apply for and enroll in Medicare Part A and B, and use PROVIDERS who accept Medicare in order to ensure that you receive full benefit coverage. The PLAN will assume you have enrolled in Medicare and use PROVIDERS who accept Medicare once eligible for benefits thereunder. If you or your DEPENDENTS are covered under the PLAN, and are eligible for Medicare, the PLAN may take into account the benefits that you or your DEPENDENTS are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage. In other words, even if you have not enrolled in Medicare, the PLAN may reduce your claim by the benefits you are eligible for under Medicare, and then pay the remaining claim amount under the terms of the PLAN and in accordance with the Medicare Secondary Payer rules. As a result, your out-of-pocket costs may be higher if you do not enroll in Medicare.

The rules by which a plan is determined primary or secondary are listed in the following chart. The "participant" is the person who is signing up for group health insurance coverage.

The maximum amount that BCBSNC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any BCBSNC payment to the PROVIDER, plus any deductible, coinsurance or copayment. Except as otherwise specified in "EMERGENCY Care," for PROVIDERS that have not entered into an agreement with BCBSNC, the allowed amount will be the lesser of the PROVIDER's billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by BCBSNC that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where BCBSNC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER's billed charge or a charge established by BCBSNC using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with BCBSNC for similar services under a similar health benefit plan. Calculation of the allowed amount is based on several factors including BCBSNC's medical, payment and administrative guidelines. As a participant in the PLAN, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all MEMBERS shall be entitled to:

- Examine, without charge, at the PLAN ADMINISTRATOR’S office and at other specified locations, such as worksites, all PLAN documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the PLAN with the U.S. Department of Labor.
- Obtain, upon written request to the PLAN ADMINISTRATOR, copies of documents governing the operation of the PLAN, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary PLAN Descriptions. The PLAN ADMINISTRATOR may make a reasonable charge for the copies.
- Receive a summary of the PLAN’S financial report. The PLAN ADMINISTRATOR is required by law to furnish each MEMBER with a copy of this summary annual report.
- Continue health care coverage for yourself, spouse or DEPENDENTS if there is a loss of coverage under the PLAN as a result of a qualifying event. You or your DEPENDENTS may have to pay for such coverage. Review this Summary Plan Description and the documents governing the PLAN on the rules governing your COBRA continuation coverage rights.
In addition to creating rights for MEMBERS, ERISA imposes duties upon the people who are responsible for the operation of the PLAN. The people who operate the PLAN, called “fiduciaries” of the PLAN, have a duty to do so prudently and in the interest of you and other PLAN MEMBERS and beneficiaries. No one, including your EMPLOYER or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the PLAN and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the PLAN ADMINISTRATOR to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the PLAN ADMINISTRATOR. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the PLAN’S decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court. If it should happen that the PLAN fiduciaries misuse the PLAN’S money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about the PLAN, you should contact the PLAN ADMINISTRATOR. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
