#### **Policy Details**

Duke is a smoke-free work environment. Smoking is only allowed in designated areas, and staff should check with their supervisors for such workplace locations. In support of its mission to improve and promote health, all Duke Medicine facilities—including those in the Duke University Health System, the School of Medicine, and the School of Nursing—are tobacco-free environments.

#### **Support Resources**

Duke recognizes the health problems that commonly arise because of and in relation to smoking and provides resources through LIVEFORLIFE that can help staff to quit smoking.
