Your vision benefits are provided through United Healthcare Vision. You will not get vision care cards in the mail but you are able to print them online as well as view your available benefits, find an in-network provider, lasik discounts and more.

First, visit myuhcvision.com to create a new user id and password

- If you are a first time user of the new site, please click on "Don't Know Subscriber ID?" This will change the field so you can enter the last 4 digits of your Social Security Number and your date of birth to verify your information and continue with registration.
- Enter your contact information, create your user ID and password. You will need to set a PIN number to reset your password.
- Once you log in, you will be able to print ID cards by clicking on the “ID Cards” link. Select the member name from the drop-down box. Once the card is generated, scroll to the bottom of the document and print.
- On the top menu, select “Eligibility” to view a summary for each covered member.
- Look up providers from the menu on the left side of your screen. Click on “Provider search”. Search by location, specialty or language.
- View Lasik, contacts, glasses and other discounts.
