**Balanced Fund: Columbia Balanced Fund**

**Tier 2 - Core Funds – to build your own portfolio**

These funds represent the primary asset classes and have been chosen based on their suitability for inclusion in a customized retirement portfolio. This option may be good if you are more comfortable diversifying your own investments. The positioning of funds according to relative risk is not to scale, but is intended to show the general progression of risk for funds in the different asset categories.

**Conservative** (funds towards the top of this list have potentially more inflation risk and less investment risk)

- Principal Protection
- US Fixed Income
- US Equity – Large Cap
- US Equity – Mid Cap
- US Equity – Small Cap
- International Equity – Developed Markets

**Aggressive** (funds towards the bottom of this list have potentially less inflation risk and more investment risk)

- Vanguard Federal Money Market Fund
- Fixed Interest Option Fund
- Dreyfus Bond Market Index Fund
- Metropolitan West Total Return Bond Fund
- American Century Infl-Adj Bond Fund
- Vanguard 500 Index Fund
- RidgeWorth Ceredex Large Cap Value Fund
- American Funds AMCAP Fund
- Vanguard Mid Cap Index Fund
- American Century Mid Cap Value Fund
- Dreyfus Small Cap Stock Index Fund
- Goldman Sachs Small Cap Value Fund
- Janus Triton Fund
- American Funds EuroPacific Growth Fund

1 An investment in a money market fund is not insured or guaranteed by the FDIC or any other government agency. Although a money market fund seeks to preserve the value of your investment at $1 per share, it is possible to lose money by investing in such fund.

2 Policy Form GFA-504, a group fixed allocated annuity, issued by The Variable Annuity Life Insurance Company, Houston, Texas.

**Tier 3 - Other Funds for the experienced investor**

Other Funds are available to participants with account balance as of 5/31/2011 and include all investment options available through the plan that are not listed under Tier 1 or Tier 2. These funds are not monitored regularly by the IAC, so you will be responsible for monitoring the holdings and performance of these funds to ensure they remain in line with your investment strategy.

The fee disclosure information which includes fees and services associated with the plan is available at hr.duke.edu/performance. The prospectus contains the investment objectives, risks, charges, expenses, and other information about the respective investment companies that you should consider carefully before investing. Please read the prospectus carefully before investing or sending money.
How to Enroll in the Faculty and Staff Retirement Plan

The Faculty and Staff Retirement Plan enables you to contribute to your retirement on a pre-tax basis, Roth after-tax basis or a combination of both. Before you decide to enroll in the plan, you only need to make a few key decisions:

| Contribution Amount | You may start by contributing as low as 1% of salary per pay period, up to 80% of salary per pay period. If you would like to contribute your maximum IRS limit on a pre-tax basis for the year, you may enroll in the automated maximum program option. The automated maximum program option will calculate your maximum contribution for the year and at the beginning of each year will adjust your deduction amount to reach the maximum limit. This maximum program option is only available for your pre-tax contributions. |

| Investment Carrier(s) | Duke offers a choice of four different investment carriers.
